*Questions about next year:*

- Traditional Schedule--no more early-bird/late-gators; still waiting on start/end time. Waiting on start/end time of Excel Classes.
- Parking next year will be different; all students at the same time and MUST have cars and buses separate. Will have a parent meeting in the near future and then it will be brought to SCC.
- No need to re-apply for DLI permit; siblings of DLI students will be admitted with the contingency that siblings come into DLI.
- Goal will still be four classes per grade. We would like to keep all 8 portables (the boundary change regulations allow for 6).

*Code of Conduct*--School Board would like to make sure that this is being taught/addressed. It is all found on the Riverside Website and the Code of Conduct was signed at the beginning of the year and is in each student's data notebook.

Safe Routes Utah (formerly SNAP) Review and Vote: Ms. Adams

Safe Walking Route will not change next year because the boundaries are not changing. Jeanette Gudgell, Amber Nelson, and Katy Foote ratified.

Parking Lot Concerns: Parents still dropping off back by the dumpsters.

- Amy will bring it up to Safety Committee next week.
