Amber Nelson	Jessica Navarro*	Megan Myers*
Angie LeBaron	Jolynne DiFrancesco*	Norda Barrowes*
Betty Jimenez*	Karina McDougal*	Shauna Mitchell*
Brooke Lara*	Katy Foote*	Spencer Horton*
Carly Hogshead	Lauren Nalder*	

### Visitors:

**Welcome:** Jeanette Gudgell

3:52 PM

Previous Meetings' minutes were approved via email and posted to the school website in December 2018

### Review of 2019-2020 School Day Schedule: Ronna Hoffman

We anticipate that it will be 8:30-3:05, but we are still waiting on bus schedule for Excel students

With the transition off of the Modified Traditional Schedule, all students must start and end at the same time.

### Review of School Dress Code: Ronna Hoffman

Should girls be able to wear a bandana as a scarf covering the head, aside from for religious or medical reasons

The No Hat Policy is a District Policy for security reasons.

SCC members will send input via email on this topic

### Review of LandTrust Plan: Ronna Hoffman

Mrs. Hoffman has created the plan and shared it with us but would like more parent input. The money in the past has been used for assistants, student government (very small percentage), Leader in Me (considering doing it again), upgraded morning news crew equipment. Our targeted skills nights have made a difference in making the scores gains for our students.

\*Feedback: approx \$87,800 (can carry-over up to 10%)

People are in support of keeping the aides

Could some be used for field trips, especially for science-related field trips

Assemblies

\*Can librarians provide a cart of books for Books and Breakfast. Money may come from some Title I parent-involvement funds. Could do a book exchange--parents could bring/take books. Betty Jimenez will follow up with Librarians to coordinate efforts.

**Follow Up on Parking Lot Concerns:** Amy Adams

o What to do with Buses?

Trying to figure out how to have buses and cars in the same parking lots

Options:

South Parking lot--right lane for buses and left lane for cars?

North parking lot--have it be for pick-up/drop off only

Make North Parking lot pull-through a wide bus lane and then use the drive-through between the parking stalls a pull-through

\*Reinstituting SAFETY PATROL is being looked at for next year. Students can not do cross-walks. Can Watch the kindergarteners on the playground and help with kids lining up on sides and back of school.

**Lost and Found email sent home to parents**--add a skylert from Shannel a few days before items are sent to DI

**Agenda Items For Next Meeting:**

Continue Parking Lot discussion

Safety patrol

**Adjourn: 4:58**

**Next Meeting:** Thursday, April 11, 2019
