

Riverside Elementary

In order to keep our students safe, the following parking lot procedures have been implemented for our parking lots.

North Entrance Parking Lot Procedures

- THERE IS NO PICK UP OR DROP OFF IN THE NORTH PARKING LOT. THIS LOT IS FOR BUSES ONLY.

South Entrance Parking Lot Procedures

- Please stay in your car at all times while in the drop off/pick up lane.
- Please pull forward to the crosswalk when dropping off or picking up.
- When waiting with your student(s), please park your car in the south parking lot and cross with them at the crosswalk.
- When dropping off your student(s), please stay in the lane closest to the curb and pull forward to the crosswalk before letting your student(s) out or collecting them at the end of the day. Students should quickly exit the vehicle. Students will exit cars on the passenger side only, directly to the sidewalk, walk along the sidewalk and enter the school playground at Gate A or B.
- All cars will need to funnel into the lane closest to the curb to allow other cars to pull out and exit the drop off lane.

Students and adults should cross only at designated crosswalks. Crossing anywhere other than at crosswalks is jaywalking and is illegal and dangerous. Please help us keep our students safe.
